

Whole life insurance

Whole life insurance offers guaranteed, reliable coverage to last your entire lifetime. Ideal for personal and business needs, it provides permanent protection you can count on and guaranteed cash values that grow over time.

Performax Gold is a reliable whole life insurance solution backed by powerful guarantees and built for long-term tax-deferred growth.

Performax Gold can help you:

- Further your retirement and estate planning
- Build tax-deferred equity and cash value over time
- Establish collateral for a bank loan
- Fund education costs and other long-term expenses
- Provide key person coverage
- Leave gifts to children, grandchildren or a charity

With its flexible features and the variety of options (riders) available, Performax Gold allows you to customize and adjust your coverage as your lifestyle or business needs change.
